SECRETARY No. I 2678 GOVERNMENT OF MYSORE

Re: irrecoverable arrears of taxes outstanding on certain buildings and vacant sites in Robertsonpet.

With reference to correspondence ending with your letter No. L. 9153 dated 27th December 1946 on the above subject, enquiring why prompt action was not taken for the recovery of the dues referred to therein, I have the honour to state that the collection of these taxes was under the control of the Amildar of Bowringpet Taluk and it was taken back to the direct control of the Board during April 1945 and since then, the Revenue Officer of the Board has been attending to the collections. It is seen from the records that the Revenue Officer of the Board has taken necessary further action in the matter, without avoidable delay after he was placed in charge of the collection work. It is seen however that there was some delay in taking action for recovery at the time the collections were under the control of the Amildar. Even then, recovery proceedings are seen to have been taken in November 1942 itself and with the remark that there was no scope for recovery, the records were kept by instead of being ~~higher~~ submitted to higher authorities.

A copy of the report received in this behalf from the Amildar of Bowringpet Taluk is enclosed for reference. The subject came up before the Board for a second time and they have resolved that Government be requested to sanction the Board's proposal to write off these irrecoverable dues from the accounts in view of the fact that the arrears relate to a period when the ~~Board's~~ C.
